<p>More houses in that area of Huddersfield are very sought after. The houses Vivly build are quality and in keeping with other local buildings. The local schools are not full, with many even under threat of potential closure due to yearly falling numbers (this was published in an Examiner report only last year). It would be great to have a bigger community in Upper Cumberworth to support to church, pub and village shop, as well as increase custom for business owners in neighbouring Denby Dale.</p>
