Subject: Planning application number 2025/93572 Vivly Living land south of Barnsley Road

My name is _____ and my address is _____

but I do not wish these details to be published.

As a visitor to and walker to this area I am horrified to see the details of the above planning application which I feel would decimate this beautiful woodland and have a detrimental environmental impact on the historic area including the fantastic views of the church and surrounding area.

In view of these details I should be obliged if you would note my objection to the application.
