To whom it may concern,

Please find this objection to the planning for housing in Upper Cumberworth.

Ref: Upper Cumberworth 2025/60/93572/E

Please keep my name anonymous

I strongly object the planning application. I have lived in the village for over 40 years and have 2 children who go to Cumberworth first school. The traffic is already busy enough and the main Barnsley Road is a complete danger, cars drive way too fast especially at peak times, there are always cars parked on the road outside school which is a problem. Children who go to Scissett middle school have to wait on the busy main road for the school bus on a narrow piece of pavement whilst the cars come speeding past.

Myself and the children love going into the woods and seeing the varied wildlife, this would be very upsetting if the woods were disturbed. Extra housing can only cause harm to this area, housing should not be built on green belt land.

Many thanks,
