

8TH FEBRUARY 2026

2025/60/93572/E

DEAR MADAM,

I object to building on our greenbelt. This land is not just a field and some trees it's like a home to Cumberworth. I always love to see it on my walks at the weekend, and on our school wellbeing walks.

Please make sure this development does not happen.

Please do not publish my name and address online.

Warm regards,

Age 6
