Subject: OBJECTION TO PLANNING APPLICATION - UPPER CUMBERWORTH

Dear Sir

I object to the above mentioned proposed development on the grounds that it will cause substantial harm to the the rural landscape and the general character of the village which I have lived in for nearly 40 years.

The sewer and drainage systems are barely able to cope at the present time and so would be overwhelmed by another housing estate.

The area is unsuitable for a further 123 houses as Upper Cumberworth is very busy with the current traffic and the village has very little public transport.

I feel the amount of noise and dust associated with the building of a new development will be detrimental to village life and make life very unpleasant for the local residents.
