Subject: Objection to Planning Application 2025/60/93572/E

Dear Sir

Having spent a lot of my youth in Upper Cumberworth , enjoying my time playing in the woods taking walks with my parents (and I still do), I think it would be a shame if they built on the proposed field. I would like to make my objection to the application as I think it would destroy the habitat of much of the local wildlife and spoil the character and views of the lovely village setting.
