<p>I wish to object to the proposed development for the following reasons :</p> <p>I have lived in Upper Cumberworth for over 30 years and always enjoyed the view of this large arable farmland field in designated Green Belt as adopted in the Local Plan and therefore should be protected.</p> <p>This development would destroy the Green Belt forever and the views and identity and character of the village.</p> <p>The proposed development is adjoining ancient woodland and would severely deteriorate its flora and fauna. The Woodland is widely used by both locals and people from further afield for leisure and recreation.</p> <p>The local wild life (Deers etc and Birds) will be greatly effected in an adverse way.</p> <p>The local biodiversity and ecology will be permanently destroyed by the development.</p> <p>The proposed development will increase the size of the Village by 30% which is unsuitable.</p> <p>The existing infrastructure, roads,shops,schools,doctors could not cope with the influx of people.</p> <p>Barnsley Road is already very busy and lack of pavements etc could be dangerous.</p> <p>The existing sewage and drainage systems already barely cope and we have a poor water supply.</p> <p>The proposed development therefore should be rejected as its not in yhe Local Plan, on Green Belt and for multiple other reasons as I've outlined.</p>
