<p>I wish to object to the above planning application on Green Belt land in our village. This field should not even be considered for development at all, it is not designated building land in the Local Plan.</p> <p>The beautiful views from Barnsley Road across to Birdsedge will be lost forever if this development is allowed to go ahead. The rolling fields and woodland are always a welcome site when coming home at any time of year. I value that so much, I'm sure all other villagers do too.</p> <p>Public transport is so poor, all the new houses would have at least one car each, more likely two plus. The increase in traffic would make worse already dangerous junctions by The Star and where Carr Hill Road meets Penistone Road.</p> <p>It is already difficult to get doctors appointments, but with all the additional people it will become almost impossible.</p> <p>The development would lead to changes in the biodiversity of the area, affecting wild flowers and animals. Locals and people from further away enjoy walking there to appreciate the peace and tranquillity of the woods and surroundings, this would be lost with houses so close by. I have walked there for more than 40 years with parents, children, grandchildren and friends. It would be so unfair if future generations could not enjoy doing the same.</p> <p>Please do not grant planning permission for this development to go ahead.</p>
