<p>Please do not ruin such a beautiful village. My son and his wife has lived in Upper Cumberworth for nearly 30 years. They raised my three grandchildren there, enjoying the countryside and the animals and plant life. The tree in that field is outside my grandson's window. We have watched deer in there. This development will destroy more than just the countryside, but the whole feel and fabric of the village. It is such an enormous development, it will not feel like Upper Cumberworth anymore, and it breaks my heart. And councillors making this decision, it should break your heart too. It is Green belt. This is meant to be protected unless there are exceptional circumstances. This planning application is not an exceptional circumstance. Don't destroy a village when Kirklees can fulfill its building quotas elsewhere. It is the wrong plan for the wrong site. It is just wrong, wrong, wrong.</p>
