<p>I object to this application for many reasons: The areas services cannot sustain an increase on houses and people of this amount.</p> <p>Harm to ancient woodland and this is a greenbelt site.</p> <p>Traffic is already congested through Carr Hill Road and Barnsley Road/Sovereign junction , this new amount of cars would make a massive negative impact on the area and surroundings, and become a bottle neck for traffic and I believe an accident hotspot.</p> <p>Existing drainage and sewers are already at capacity.</p>
