

About the application

Application number: 2025/93572	
What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to the above planning application on the following grounds:</p> <p>1.) This is designated green belt land and I am unable to understand why we are building on greenbelt before exhausting all other options within the Brown Field register within Kirklees. The management of new housing stock is clearly poor and we should not be reallocating valuable farming land currently under crop for development purposes</p> <p>2.) the current amenities and utilities in Upper Cumberworth are currently overloaded. Building an additional 123 houses in the village will add to the existing high levels of congestion/pollution and make the roads even more dangerous</p> <p>3.) Building 123 further houses will harm the wonderful ecology that we have locally and in the adjacent ancient woodland, which sits directly alongside the proposed plot.</p> <p>4.) Upper Cumberworth has significant water issues with very old struggling infrastructure that is regularly under repair on Barnsley Road. Adding 123 new houses will only worsen this.</p> <p>5.)The field has a water channel that runs diagonally across it. Covering this up and essentially concreting over a large field that currently absorbs a significant volume of water may well lead to flooding at lower levels ie Denby Dale, as water courses become overwhelmed .</p> <p>PLEASE DO NOT ALLOW THIS ILL ADVISED AND UNWANTED DEVELOPMENT TO GO AHEAD!</p>
