<p>This village would struggle to take an extra 123 houses that would increase its housing stock by 1/3. We have little infrastructure a doctors that can not see patients within 2 weeks. The road is over loaded at best and more often than not crossroads are queuing. The proposed site is iconic looking down to the ancient woodlands and up to Birdsedge, enjoyed by locals and visitors walking in the woodlands. Lastly the developer has sites in local villages we know they overlook green areas to squeeze in more properties.</p>
