<p>Why build on green belt? There are so many brown field sites in kirklees that should be used 1st</p> <p>I guess as this is away from the town the possibility of massive profits for Vivyl are too much of a temptation!</p> <p>I can see no detail as to where the hordes of children will attend schools, as local schools are fit to bursting with attendees</p> <p>The roads in this area are already overloaded with cars and hugh lorries passing through to the motorway etc.</p> <p>As a cyclist, due to the narrow roads and large quantities of cars and lorries, the roads in kirklees are already a challenge and scary.</p>
