<p>28 Hollybank Ave Upper Cumberworth HD88NY Ref number 2025/93572</p> <p>I am a resident of Upper Cumberworth and would like to express my support for the proposed development of 123 new homes.</p> <p>As someone who lives within the village, I understand the importance of balancing growth with maintaining the character of the area. I believe this development presents a positive opportunity to provide much-needed housing while supporting the long-term sustainability of our community.</p> <p>New homes can help local families remain in the area, provide opportunities for younger generations, and strengthen demand for local services and businesses. With appropriate planning, infrastructure, and landscaping, I believe the development can integrate well with the existing village and contribute positively to Upper Cumberworth's future.</p> <p>Overall, I support the application and feel it could bring long-term benefits to the village.</p>
