<p>I would like to express my full support for this planning application. I believe the proposed development is a positive addition to our village and has been thoughtfully designed to fit within the local character of the area.</p> <p>The scale, design, and materials appear appropriate and in keeping with surrounding properties. I do not believe the proposal will negatively impact neighbouring homes or the wider village setting.</p> <p>I believe this development will strengthen the long-term future of our village.</p>
