What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Objection</p> <p>I visit my daughter in law on park lane several times a week, where together we take in the natural beauty of the greenbelt land...which at this minute is supporting sheep... we walk in the ancient woodlands which will be under serious danger if you allow a scandalous development to be built 10m away....National standards are 50m!!! I've read the ecology report...did they actually visit the site???? No mention of wildlife. Strangely Kirklees themselves describe this as a wildlife corridor!!!!</p> <p>We sit out at night and watch the bats come from the farm buildings. We watch the deer and the foxes. This is utter stupidity to allow desecration on this level. Kirklees describe this area as important in the biodiversity of the area...then it's up to Kirklees to stick to their principles. Besides the destruction for this generation and future generations, the extra traffic going on to Huddersfield's major black spot area is only going to go one way...this is a choice of wilful destruction of protected woodland and greenbelt or looking after our heritage...</p>
