<p>I am writing to object to the proposed development on Green Belt land.</p> <p>Having grown up nearby, I know firsthand how important this open countryside is to the character of our community. The development conflicts with the Green Belt protections set out in the Kirklees Local Plan, which exist to prevent urban sprawl and safeguard the natural environment. No “very special circumstances” have been demonstrated that would justify building on protected land.</p> <p>The site supports wildlife and established natural habitat, and its loss would undermine local biodiversity and climate resilience at a time when these should be priorities for Kirklees Council.</p> <p>For these reasons, I strongly urge the Council to refuse the application</p>
