Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
<p>This land is not specified in the local plan for development and will cause issues for the current and new residents if it was approved. There is not enough infrastructure to handle a development of this size. This includes strain on already busy local roads and their safety and will promote increased personal vehicle use due to the lack of reliable and direct public transport or safe walking/cycle routes. There is a risk of harm to the trees in the site and the ancient woodland including the animals that live there. It will not bring anything to the village. This development is not suitable for the village and does not fit with the current character and housing that is already here. It would put pressure on already struggling local services.</p>
