<p>I have lived in this village all of my life and I don't think it is acceptable to build houses on greenbelt.</p> <p>As a young person in the community and someone that uses the ancient woodland with my family and dog, I am disappointed that planning permission for 123 houses has even become a point of discussion.</p> <p>That field is a view point from the back of my house and it will be a shame to spoil the view and disturb all the wildlife that already exists there.</p> <p>Please do not approve the planning.</p>
