<p>I was a resident in Upper Cumberworth for approximately 35 years, living on Barnsley rd and Carr Hill rd and feel compelled to voice my concern to the above development.</p> <p>These are the grounds for my objection:</p> <ol style="list-style-type: none">1) The proposed development is to be built on green belt in a beautiful village2) The proposed development would devastate the quiet country lane named Park lane3) The development would affect the nearby woodland and popular bluebell wood4) The development would increase the traffic flow between Denby dale and Upper Cumberworth and would have access issues to a busy A635 road.5) The development would increase pressure on the infrastructure to the sewage system, water system, etc.6) The development would put increased pressure on the village services: schools, surgeries, etc <p>In conclusion I would support the villagers in Upper Cumberworth in their objection to the development on the grounds outlined above.</p>
