| <p>I am 14 years old and have live in the village all of my life looking at that field from my bedroom window. I do not want this view to change to rooftops.</p> <p>I go in the woods all the time and enjoy seeing the wildlife that live in there, they will get frightened away from all the noise.</p> <p>I use the bus stop very near the field for school and the road is very very busy and the pavements are not big enough for us to safely stand there, we do not need more cars.</p> <p>I do not want these houses to be built.</p> |                              |
