<p>I want to object about this proposal. Me and my husband enjoy walking around Upper Cumberworth on our regular visits to see our daughter and grandkids over the last 30 years.</p> <p>We have seen the village gently evolve over the years but it has always kept its charm and character.</p> <p>Putting 123 houses on that plot of land will change the village forever. It will be like a different place.</p> <p>The deer you can see in that field and the birds flying around that old tree in the middle of the field is wonderful to see when we look out of our window in the morning.</p> <p>We are elderly and we rely on that pedestrian crossing to get over to the Post Office. The traffic on Barnsley Road is horrific.</p> <p>But the thought of hundreds more cars coming from those houses, fills me with dread.</p> <p>And they will head towards the Sovereign Crossroads or the Carr Hill Road Junction, which are a nightmare for traffic, and frequently sees accidents. You are asking for trouble if you approve these plans.</p>
