<p>I strongly object to development on green belt land for housing. This area is a Area of Natural Beauty(AONB) which as been enjoyed by wildlife and the communities surrounding it. The ancient wood land and wildlife will be put under extreme stress by disruption and noise pollution! The medieval water mill is something for generations to enjoy as is the woodland. I am very worried about traffic the road is already to capacity our gps are over stretched and all infrastucture will be even more strained Please let your common sense and your consious to oppose this development</p>
