Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Primary objections are as follows - 1. Impact on highway safety and traffic. The village is already over used, with side roads used as cut throughs to avoid busy junctions, speeding vehicles, lack of pavements on busy roads, poor signage and traffic controls, and parking issues in the village centre. 2. Impact on services. Medical services in the area are already over subscribed, particularly doctors surgeries. 3. Conservation of the natural environment. This development is planned on green belt land, which is completely unnecessary, as many other non green belt locations are available in Kirklees. 4. Effect on the character of the area. This is in an area of natural interest for bird watching, wildlife, and fauna, interspersed with public footpaths and woodland walks.
