I strongly object to the building of any houses on the land, as proposed in Upper Cumberworth, 2025/60/93572/e. Multiple reasons, not least the ecological impact on the area, wildlife and nature in general. The schools are full, the doctors barely cope with the numbers as they are currently, the infrastructure cannot cope with more people. The roads are very busy in all directions. Back in the 1960's when Carr Hill road was constructed it was advised that no further building should occur as the underground pipeworks / ironworks would barely cope with the new builds on Carr Hill Road. The area cannot accept an increase in houses, footfall and traffic.
