<p>I object to the proposed development. Having lived in Denby Dale for over 30 years enjoying the village and use of greenbelt and woodland areas I feel we have to protect our greenbelt and the views.</p> <p>The local woodland will be affected, wildlife disrupted and habitats lost. The local schools use for learning and volunteers maintain where needed so all can use them safely.</p> <p>The site will potentially cause accidents with more traffic to a already busy road, more cars finding places to park and danger to pedestrians and school kids at busy times. Local Services, doctors, schools will be affected how will they cope with influx of more people.</p> <p>The drainage and sewers will be overloaded causing flooding n damage to surrounding areas also water pressures will be affected as already having problems in the area from burst pipes n roads been damaged.</p> <p>Protect our area that's used by all the community n keep our greenbelt.</p>
