Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The proposed development on GREEN BELT LAND is not right this small village would not cope with the amenity's Schooles too small no doctors surgery's (can't get to see my doctor when I want to) these fields have sheep graceing in them now last year we had a flock of wild Canadian Geese feeding in these fields(you don't often see that this will be lost if the plan goes ahead</p> <p>Where is the drinking water coming from last year we had an hosepipe ban. The drains can't cope as it is and all the surface water and mud would end up in the Ancient wood and destroy the RARE ANTS bluebells and flowers and contaminate the stream</p> <p>It would create at least another 200 cars on our already roads especially Carr Hill Road as they use it as a Rat Run to the Sovereign I was nearly run over when a Mini came bombing round the corner I had to wave him down (accidents waiting to happen on our roads.</p> <p>This application should be rejected on the ground of Agricultural Green Belt Land, too close to Ancient Woodlands, Road Safety, Flooding problems, Road Safety, Light Pollution for the bats and wildlife in the woods not enough amenities.</p> <p>Hope you are on our side you were voted in to stand by us to keep our lovely village not to ruin it</p>
