<p>I wish to object to this planning proposal in the strongest possible terms. Upper Cumberworth is a village surrounded by precious green belt agricultural land and needs to remain that way, and should not be swallowed up by urban development.</p> <p>Every square metre of greenbelt is an irreplaceable natural resource which sustains wildlife and local inhabitants alike, the ancient woodland and views being threatened by this plan would be sacrificed by the intrusion of 123 dwellings.</p> <p>We need to protect this land for future generations at all costs and I urge the planning committee to reject this application.</p>
