<p>I am 6 years old and I don't want 123 houses to be built near the lane and the woods by Grandma and Grandad's house.</p> <p>When we go there, I feel really, really happy. It makes my mind feel like I love everything in the entire world. It is so beautiful and it feels good because I like the trees.</p> <p>I hear tweet tweet from the birds, water, and leaves. There are squirrels, frogs, ladybirds, shiny beetles and massive ants.</p> <p>If it changed, it would be unkind because the animals would cry and miss their old house.</p> <p>I like to splash in the rivers, throw leaves high in the sky, and walk across fallen trees. If it all disappeared, I would miss the green, because it is my favourite colour. I would be really sad for the animals. Please keep it.</p>
