<p>This is Green Belt land which always been farmed. It is not part of the Local Plan.</p> <p>The site is next to ancient woodland and would impact negatively on flora and fauna.</p> <p>The roads cannot cope with traffic now and an increase in traffic would make it even worse plus the pollution.</p> <p>The sewerage and drainage systems are already overloaded. There have been numerous burst pipes and poor water pressure. Another 123 houses would overload the system and make the situation worse.</p> <p>The Local schools are already full and it is near impossible to get a GP appointment.</p> <p>Bus and rail transport is poor and infrequent.</p> <p>This application should not be supported.</p>
