Dear Sir,

objection to Planning Application
Upper Cumberworth, 2025/60/93572/E

My main objections to the above are the loss of a very large amount of Green Belt land and the adverse effect which so many buildings could have on the Wood and it's wildlife. I also think that the A635 Barnsley Road couldn't cope with the large increase in traffic that is bound to occur. There has been problems for a while with the water pipes, actually breaking the road surface, which keeps happening.

I am also concerned about the School whether it will be able to cope with larger numbers and more parking by Parents outside.

Living near to the A63 Barnsley Road it won't be very pleasant especially when the Open Cast Works start and the Wagons start coming up the road!
