Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Loss of high quality agricultural land.</p> <p>Highway safety - overload sovereign cross road and the one near the post office.</p> <p>Congestion in Denby Dale village and the Bromley recycling depot at peak times.</p> <p>Infrastructure- GP, dentist, schools don't have the space for the number of new developments in the area. Drainage, water supply and sewage arrangements have become a regular issue following recent developments and will likely be made worse with additional homes.</p> <p>Flood risk - this area acts as a flood plain in winter absorbing surface water. Surplus water may run down into Denby dale flooding properties that are in the side of the stream.</p> <p>Ecology- next to a wildlife area with bats.</p> <p>Landscape and visual harm - alter rural character, cause visual intrusion to open countryside.</p> <p>Cumulative impact- several large scale developments in the same area in both Kirklees and Barnsley Council areas. This application should be considered cumulatively and not in isolation. Please do not publish my personal data.</p>
