Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>We object to this application for the following reasons -</p> <ol style="list-style-type: none"><li>1. This is greenbelt land and therefore should not be built upon. The land is designated greenbelt to protect the countryside and prevent urban sprawl. It would be better to focus energy and resources in urban regeneration which Huddersfield town centre desperately needs.</li><li>2. Utilities in this area are already stretched and infrastructure above and below ground is insufficient to sustain further development.</li><li>3. Road network is already under pressure. Developments in Skelmanthorpe, Shepley, Denby Dale and Penistone have already noticeably impacted local traffic and this is even before the impact of the approved quarry in the village is felt. I travel regularly on roads which have quarry traffic - they are of poor quality and in need of constant repair. Permitting this development would be creating a perfect storm in terms of road safety.</li></ol>
