

## About the application

Application number: 2025/93572	
What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The proposed site is not within the Kirklees local development plan and is greenbelt land, which should be kept as green belt. Our area of HD8 has already had many developments allowed on green belt land, the surrounding villages have now become so large they are losing there local identity and services such as doctors and dentist are stretched.</p> <p>Planning has been granted for a quarry nearby which will increase the traffic significantly on Barnsley road, this along with construction traffic and then the new residents cars, probably at least 2 per household will make Barnsley road even busier, causing noise and air pollution to increase significantly.</p> <p>A housing development of this size will have an irreversible effect on the adjacent ancient woodland, the small 10m buffer zone is not enough to protect the woodland and its wildlife, such as deer, buzzards and herons. The site will change the drainage and run off water entering the woodland, effecting the trees and wild flowers on the woodland floor, changing the habitat forever.</p>
