Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I strongly object to this development , not only is it greenbelt land its not in the local plan and its a speculative application by these developers. The woodlands adjacent to this site are home to a variety of animals , birds and mammals - these will be lost . the buffer zone has been kept to a minimum and even if it were at a maximum , the increased trampling , predatory cats, drainage and foul water would damage the ecosystem . This is the only site in Kirklees for the Northern Hairy ant , it will be wiped out .</p> <p>There are already problems with water and drainage , I have driven up the A635 and lost count of the water bursts and pipe repairs.. Upper Cumberworth is the only post office we can use and its already impossible to park , I feel you take your life in your own hands pulling in and exiting Cumberworth Lane , this Development , if it proceeds will make an already hazardous road very dangerous indeed . The traffic volume and speed along that road , up to the Sovereign cross roads , is excessive and the Sovereign a blackspot . the developers claim only 44 cars will leave that estate , a gross underestimate and a fundamental lack of understanding of the village . it has no shops , a single pub and a school . People wont walk to Denby Dale they will drive , if only for the steep ascent back into the village , no one does this with their shopping. Houses need to be close to economic activity and amenities.</p> <p>do the right thing , protect our green belt and refuse this application.</p>
