<p>I'm against this development for several reasons, it will destroy the green belt, in effect we won't have any green belt left if these huge developments continue.</p> <p>No wildlife, trees, hedges, removing infrastructure causes flooding , our conservation areas will cease to exist.</p> <p>Our villages will no longer be villages with no green spaces at all to walk and enjoy, for children to learn about nature. Use brown land !</p> <p>The roads are chaotic already with all the new developments in adjacent villages, many family's have 3 or more cars per household.</p> <p>The GP surgeries are overwhelmed, as are the local schools and other facilities.</p> <p>ENOUGH is ENOUGH!!</p>
