What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I wish to lodge my objection to the above proposed development on the following grounds:</p> <ol style="list-style-type: none">1. the land is greenbelt and therefore should not be considered for building land.2. the development would spoil the local landscape and is not in keeping with the village character.3. the site is situated on an already busy road near two bad junctions with already approved quarry development near the site which will increase traffic flow.4. the development would also cause more problems to the drainage and sewer system and water supply which is already proving problematic.5. the site is adjacent to an ancient woodland which is a habitat of deer, bats and the like. If this building site were to go ahead all of this local ecology would be lost in our area and this would never return.
