Beau

PLEASE DO NOT PUBLISH MY ADDRESS, BUT MY NAMES IS FINE.

My name is Beau and I am a 10 year old rescue dog.
I would like to object to the proposed building on 2025/60/93572/E

I absolutely love walking in the ancient woodland of Upper Cumberworth. But have recently had to only walk on certain paths due to raw sewerage leaking in to the woodland from the proposed site. There is existing drainage and sewerage issues which could be exacerbated by development.

I love playing in the water, watching squirrels, hearing the wood pecker, admiring the deer and playing with sticks. I also like late night walks and watching the bats flying between the ancient woodland and the proposed development site.

I have many friends that walk in the woodland too and building so near to the amazing ancient woodland would be significantly detrimental.

Please consider my objection and do not pass the planning application.

Please see attached photos of myself enjoying the ancient woodland.

Regards
Beau
