As a Resident of Upper Cumberworth - Carr Hill Road. I have 3 main objections. 1. The impact to the local wildlife given the proximity to the woodland. 2. The increased traffic, which is most likely to be commuter based, on local roads especially Carr Hill Road where there is zero enforcement against speeding and or over weight vehicles. As a pedestrian you are literally targeted by speeding motorists. 3. The local infrastructure for power & water supply and water removal is insufficient as it is - what will it be like if additional housing is built? All of the drains to Barnsley road are blocked and clearly have not been maintained for some time.
