Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I wish to raise my objection to this planning application.</p> <p>The application is for housing to be built on green belt adjacent to an area of Ancient woodland areas that should be protected.</p> <p>The local infrastructure in relation to sewage drainage and water supply has already been an issue locally.</p> <p>The impact on local roads and safety of vehicles entering and exiting the estate on to Barnsley road. There will inevitably be an increase use of Carr Hill Road as a rat run to avoid the Sovereign garage junction on to Penistone road. There are no paths on the majority of Carr Hill Road which with increased flow traffic at times will leave pedestrians at increased risk.</p> <p>There are few local amenities to support an increase in population which would mean more car journeys required for shopping and to access other facilities as public transportation is not frequent enough to encourage use as an alternative to the car</p>
