<p>I wish to object against this proposal to develop houses on Greenbelt land . We have been visiting this area as a family for many years , meeting up with friends and walking in the woodland of the upper Dearne , which has many references on the internet as an area of beauty . I was totally shocked to hear that these plans had been submitted and upon doing a bit of research that the land was not in the local plan for housing . The field in question is farming land , we have witnessed first hand the variety of crops and animals and have seen the farmer out at all hours. If this housing is built it will destroy this village and the landscape. We will lose birds , deer and wildlife alongside the many and varied plant life.</p> <p>The traffic is already a nightmare along the Barnsley road , imagine the impact of the quarry approval and this development . There will be a serious accident and speed cameras at the Sovereign cross roads won't help . The junction is already at capacity.</p> <p>Refuse this application and make the most of the wonderful amenity.</p>
