<p>I wish to object to this proposed development as a regular visitor to the area who walks and cycles in the upper Dearne area.</p> <ul style="list-style-type: none">- this is Greenbelt land- it's outside of the local plan- it's farmed land used for growing crops and feeding livestock- the development is not in keeping with the size of the village and will increase it by a disproportionate amount- the field is next to ancient woodland , the flora and fauna will be impacted- drainage will be a problem , the woodland is already flooded during heavy rain and the foul water system proposed is inadequate .- the long range views will be adversely affected- there must be serious questions about the traffic and highways . The developer grossly underestimates car usage and journeys.- the unique nature of this village will be destroyed as it joins with Denby Dale . <p>Refuse this application</p>
