<p>I would like to object to the proposed development of 123 houses on Green Belt land in Upper Cumberworth.</p> <p>I spent a lot of time here during my childhood and now regularly visit the area with my own family. The land is agricultural and provides an important pathway and stopping point for local wildlife.</p> <p>I am also concerned about the extra pressure that more housing would place on local roads and services. The Sovereign and Carr Hill Road Crossroads are already well known accident black spots, and additional traffic would only add to these existing problems.</p> <p>This land should be protected for future generations, and I urge the council to refuse this application.</p>
