<p>I wish to object to the proposed planning application for the following reasons.</p> <p>The proposed development is on Green Belt land. The whole of Upper Cumberworth is surrounded by Green Belt land and if permission was granted in this case bthen what is to stop further building on such designated land.</p> <p>The surrounding road network is already under pressure consisting of minor country roads leading to existing busy major routes. Ths accident black spots at the junctions of Carr Hill Rd/Penistone Rd and the Sovereign cross roads would surely be made worse with the increased volumes of traffiic such a development would bring if approved.</p> <p>The proximity of this development to ancient woodland enjoyed by walkers and their families must surely mitigate against granting such approval of a development of this size and I would like to add my objection to the many others you will have recieved.</p>
