<p>I wish to object to this application which is made outside the local plan and is on Greenbelt farmed land.</p> <p>My objection is based on a number of factors</p> <ul style="list-style-type: none">- Greenbelt land- outside of the agreed planning framework I.e the local plan- adjacent to historic ancient woodland- unique habitat to many species of plant and animal , including the Northern Hairy wood Ant , the only habitat in Kirklees- the lack of infrastructure, ie drainage concerns and highways concerns- increased traffic and concerns re highways safety- the potential loss of long range vista- the impact on the heritage of the village . <p>I'd add that the consultation has been woefully inadequate , the plans submitted to the wrong scale and the reports contain significant inaccuracy .</p> <p>Refuse this application .</p>
