<p>I wish to object to this planning application . As someone who regularly walks here with my family and dogs , I was horrified to learn of the proposal for 123 houses. Upper Cumberworth is a small village this would increase its size by a third and it just wouldn't be the same . It would lose its unique character and heritage and just merge with Denby Dale .</p> <p>The ancient woodlands would be destroyed with damage to the root systems and light and air pollution changing the ecosystem .</p> <p>The traffic and roads are already bad , and locals have been complaining for years . At peak times Carr hill road and Cumberworth lane as-well as Barnsley road are congested . The traffic uses Cumberworth and Carr Hill roads as a cut through , it's very dangerous .</p> <p>Please refuse this application.</p>
