What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I am submitting an objection to the above application.</p> <p>My objections are:</p> <p>The proposed housing development is to be built on green belt land</p> <p>The impact of 120 houses will increase the traffic on the main road which is already very busy throughout the day. The schools traffic will also increase causing more congestion plus the lorries going back & forth from the quarry. The noise level and air pollution will be detrimental to the area</p> <p>The ancient wood has stood for years providing support for the environment and the residents of the area. Any impact on this would affect the wildlife, plants and trees habitats. This would reduce access for families to enjoy the woods with their children and pets.</p> <p>Services within the area would be stretched. The water pressure is an issue at present and with increased housing it will effect the service that is provided for everyone.</p> <p>There will also be increased pressure on the doctors, schools and other amenities within the area.</p>
