Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Objections to the building of circa 125 homes on this land Do not want to lose more Green Belt land in Upper Cumberworth. The road leading to this site is already extremely busy with heavy and light vehicles. The smell of exhaust fumes when walking on this road is bad and this will increase if the houses are built. The junction at the Sovereign has had several accidents because of the high volume of traffic. Denby Dale is a small village and cannot cope with more traffic. Extra population in this area will put a strain on the schools and Doctors Health Centres. There will be a big loss to the Woodlands and animals and insects living in that area. Sewage and water drainage will increase on a currently bad system in Upper Cumberworth. Upper Cumberworth has currently drains full of sewage and water spilling out onto the roads and smelling awful</p>
