<p>I wish to object to the proposed development on Green Belt land. The Green Belt exists to prevent urban sprawl, protect the openness of the countryside, and safeguard the character of rural areas. Allowing residential development in this location would undermine these fundamental purposes and set an unwelcome precedent for further development on protected land.</p> <p>The proposal would result in a significant loss of open green space, harm the visual character of the area, and reduce important natural habitats. In addition, increased housing in this location is likely to place additional pressure on local infrastructure, including roads, schools, and healthcare services, which are already stretched.</p> <p>For these reasons, I strongly urge the planning authority to refuse this application and protect the Green Belt for the benefit of the local environment and community.</p>
