

To whom it may concern.

I am a resident in uppercumberworth and love the rural environment.

I live down Dearnfield and when the local primary school finishes I can't get down my road as cars are parked everywhere. More houses is going put a strain on the roads as uppercumberworth is only a small village, and can't accomodate for the traffic ever today.

Public transport is rare so there will be more cars on the road causing congestion.

It will also spoil the beauty of the countryside.

I love living in uppercumberworth and I don't want it too change.

yours faithfully
